

CHÂTEAU DE JAU

VIGNOBLES DAURÉ
Languedoc, France

Le Jaja de Jau Syrah Rouge 2010

THE VINEYARD

The estate spans the villages of Cases de Pène, Estagel, and Tautavel, occupying 134 cultivated hectares planted in eleven classic Mediterranean varietals. The magnificent hillside vineyards were completely revitalized by removing neglected vines and cumbersome stone. The vineyards of the Château de Jau were painstakingly revitalized by ripping up the old neglected vineyards and crushing the stone upturned in the process. The rebuilding of the vineyards at Château de Jau, overseen by winemaker Estelle Dauré, represents some of the most ambitious and exciting work undertaken in the Roussillon in the last twenty years. This revitalization has allowed the Dauré family to create the incredible wines produced today.

What does "JAJA" mean?:

"Jaja is a slang for the region's delicious full-flavored, everyday wines. It is the house selection in local bistros and restaurants. The Label was designed by Benjamin Vauthier - founder of the "fluxxes" movement in contemporary and graphic art.

HARVEST & AGEING

Harvested along with the wines for its older brother, Cotes du Roussillon Village Rouge and blended with wines from neighboring vineyards. Jaja is vinified to preserve all the ripe fruit of each vintage. Bottled early to preserve bright fresh fruit flavors.

WINEMAKER'S NOTES

A chunky, peppery red with smoky kirsch/blackcurrant and herbs de Provence scents; delicate floral nose, well-balanced tannins and acid; hints of raspberry on the palate; light, simple, and straightforward.

Grape Varieties: 100% Syrah

Alc%: 13%
